

The Florida Standards

New State Standards: 2014-2015 School Year

The Florida Standards Why Are We Changing?

- Emphasize success in college and careers
- Prepare students with 21st century skills
- Provide more rigorous content and application of knowledge
- Place emphasis on critical and analytical thinking
- Establish clear, consistent guidelines for instruction

The Florida Standards What Subjects Are Included?

- Language Arts Florida Standards (LAFS) and Mathematics Florida Standards (MAFS) provide a clear set of goals and expectations
- Define what students should know and be able to do at each grade level – kindergarten through grade 12

The Florida Standards What Do They Mean For Teaching and Learning?

BACK To School

MAFS

LAFS

- Regular practice with complex text & academic language
- Reading, writing, listening and speaking grounded in evidence from text
- Real-world applications
- Build knowledge through content-rich text

- Deeper understanding of mathematical concepts
- Builds habits of mind of productive mathematical thinkers
- Real-world applications
- Modeling with pictures technology, graphs, manipulatives

The Florida Standards What About the New Assessments?

- LAFS and MAFS will be assessed with the new Florida Standards Assessments (FSA)
- Spring 2015 administration of senior high school assessments will include:
 - English Language Arts (ELA): grades 9-11
 - ELA Writing Component: grades 9-11
- FSA End-of-Course (EOC) Assessments: Algebra 1, Geometry, Algebra 2

FSA and EOC assessments are computer-based

What Are the Standards and Assessments For Science and Social Sciences?

- 2008 Next Generation Sunshine State Standards (NGSSS) remain for science and social sciences
- End-of-Course (EOC) assessments for senior high school students:
 - Biology 1
 - 11th Grade United States History
 - "Retakes" for Algebra 1, FCAT 2.0 Reading, Biology 1, and FCAT SSS Mathematic

Results on EOC assessments constitute 30% of the final course grade.

The Florida Standards How May I Help My Child?

- Read different types of books and informational text with your child
- Ask your child to find answers to questions in the text of books, newspaper articles, manuals, etc.
- Encourage your child to form and defend opinions by supporting these with facts, details and reasons from text
- Discuss mathematics ideas with your child have them explain these to you using pictures, graphs, etc.
- Visit the Florida Standards Assessment online portal at: <u>www.fsassessments.org</u> to become familiar with the new assessments.
